Mr. Harold Weisberg
247c Senate Office Building
Washington, D. C.

Dear Harold:

Thank you for your recent letter of October 22. Your suggestion that Jim Flower, present Sheriff of Summit County, and his predecessor should be called as witnesses should be carefully considered. It may be, however, that their appearance will be precluded by a limitation on time. Your belief that the predecessor is presently a guest of Uncle Sam is correct. The predecessor, Potts, by name, could probably give us some interesting information. In answer to your question as to whether he would talk, I am inclined to the belief that he would. As a matter of fact, he indulged in too much talking, but we might, as a result of an interview with him be able to segregate some wheat from the chaff.

Very truly yours,

G. L. Patterson
